BEAUTIFICATION, Commissioner Chris von Allmen

Dead Tree - Reviewed dead tree in the Green Spring owned lot, at the request of the neighbor at 4619 Wolfspring Dr. adjacent to the lot. Confirmed that the tree is on Green Spring property. Received estimate from Kenny Jones, Louisville Tree service for 3100.00. The consensus of the commission was to proactively remove the dead tree

Fall plantings - decided to forgo the regular replacement of our summer annual plantings with fall mums. After reviewing trees and shrubs around the city, we will have to replace more dead loss than normal around the city and felt that this was priority for the budget.

Tree City USA - Arbor Day celebration at the fall festival. As part of the Fall festival celebration, a proclamation of our celebration of Arbor Day on Saturday October 11th was recognized. Our continued commitment to maintaining our Urban Forest and promoting tree health within the city. This will make 19 years as a Tree City!
